Freedom House 8th Annual Gala & Charity Auction

Freedom House will present its annual Stewardship Award to Polaris Project and the Guardian Award to Homeland Security Investigations (HSI) San Francisco during the 2017 Gala, which will be celebrating the many accomplishments of survivor-graduates of the Freedom House Monarch shelter program for women, who are "Resilient Butterflies."

Acclaimed social activist, filmmaker and musician Justin Dillon, founder and CEO of Slavery Footprint and Made In A Free World, will be the keynote speaker. He is the director of CALL + RESPONSE, a theatrically released documentary that quickly became a rallying cry for the modern abolitionist movement.

If you're looking for an entertaining and memorable evening where your actions can make a significant difference in the lives of survivors of human trafficking,

the Freedom House Gala is the place to join your fellow abolitionists to build awareness about this heinous crime and raise vital funds to provide housing, counseling, educational resources and employment opportunities for local survivors of commercial sexual exploitation, unpaid labor and domestic servitude.

Individual tickets and tables are available for purchase through EventBrite: **https://freedomhousegala2017.eventbrite.com** If you prefer to order your tickets by mail, you may send your check made payable to Freedom House at PO Box 2065, Burlingame, CA 94011.

The Silent and Live Auctions will be showcasing exciting Bay Area experiences, restaurant and wine offerings, art, event tickets, sports memorabilia, travel destinations and more! For Gala information, please visit our website: www.FreedomHouseSF.org/Events.

We look forward to seeing you April 29th!
